If you're coming **from Puyallup** on River Road, take a left just before Two Bears Trading Post onto Gay Road East. This will be just about a half mile or so past the Washington Premier (Royals) fields. Follow Gay Road (3/4 mile or so) until it turns to the right. There is where you'll take a left on 40th Ave East. Look for the dead end sign. You can see the arena from there. Take the second driveway and go to the back of the arena and park.

If you're coming **from the Tacoma area**, get onto River Road just past the Emerald Queen Casino at I-5. Follow River Road for a couple of miles until you come to Gratzler Road. There is a big billboard here above a small auto body shop. Take a right on Gratzler and follow it for a block or so. It'll fork at Gay Road East. Stay to the left and then continue on it (3/4 mile or so) until you see the dead end sign which is 40th Avenue East. Go straight on 40th which is a dead end road. You can see the arena from there. Take the gravel road next to the arena and park in the back.

The address is 3604 40th Avenue East, Tacoma, 98443, if you want to Mapquest it. It's just a couple of miles off of exit #135 on I-5.
